

Homework 15

Math 2568

Attempt before Wednesday, December 4, 2013

Jim Fowler

Remember to start reviewing for the final exam

The final examination is cumulative, so make sure that you start reviewing all the material in the course.

Suggested Problems for Practice

From §4.7 (starting on page 325), do problems 4, 6, 8, 16, 25, 26.
